PROFILE SUMMARY

ICT undergraduate with a strong interest in Software Quality Assurance and software testing. Hands-on experience in manual testing, API testing, test scenario and test case design, test execution, defect reporting, and QA documentation through practical projects. Familiar with SDLC, STLC, Agile/Scrum, Jira, Postman, Git/GitHub, and SQL. Seeking a QA internship to strengthen practical testing and automation skills while contributing to reliable, user-friendly software.

EDUCATION

University of Colombo *August 2024 Present*

- Bachelor of Information and Communication Technology Honours

Taxila Central College - Horana

- G.C.E Advanced Level Examination (Technology Stream - Engineering Technology) *2022/2023*
  ET - A | SFT - B | ICT - A Z-Score - 2.2116

QA & TECHNICAL SKILLS

- **Software Testing –** Manual Testing, Test Scenario Design, Test Case Design & Execution, Functional Testing, Regression Testing, UI Testing, Positive & Negative Testing
- **API Testing** - Postman, REST API Testing
- **Defect Management** - Defect Identification, Bug Reporting, Defect Documentation
- **Test Management** - Jira
- **Database** - SQL (Basic)
- **Tools** - Git, GitHub, VS Code, Microsoft Excel
- **Programming** - Python, Java (Basic)
- **QA Knowledge** - SDLC, STLC, Basic Agile & Scrum

PROJECTS

DemoBlaze E-Commerce Website – Manual Testing

- Conducted manual testing of the DemoBlaze e-commerce website to verify functionality, navigation, forms, cart, ordering process, and UI components.
- Designed and executed test scenarios and test cases, documented actual test results, tracked pass/fail status, and reported identified defects.

JSONPlaceholder REST API Testing | Postman

- Performed REST API testing covering GET, POST, PUT, PATCH, and DELETE operations.
- Designed and executed positive and negative API test cases and documented results.
- Implemented Postman assertions for status codes, response fields, data types, headers, response time, and CRUD operations.
- Documented test execution results and key observations using Excel.

Expense Tracker Web Application | React.js, JavaScript, HTML, CSS - Ongoing

- Developing a full-stack Expense Tracker web application for managing monthly income and expenses.
- Completed the responsive frontend with expense categorization, add/edit/delete functionality, automatic expense totals, remaining balance calculation, and category-based spending summaries.
- Implemented user registration/login interfaces, profile management, custom notifications, and browser localStorage for temporary data persistence.
- Built reusable React components and page navigation using React Router for desktop and mobile devices.

Kids Reading Task Manager App | Android Studio , Java , Firebase

- Developed a mobile application to help children manage and track their reading tasks.
- Implemented features for creating, updating, and managing reading tasks.
- Designed a simple and child-friendly user interface for easy navigation.
- Developed and tested the application using Android Studio.

TECHNICAL CERTIFICATIONS

- Introduction to software quality assurance - University of Moratuwa
- Introduction to software quality assurance - Coursera
- Python for Beginners - University of Moratuwa
- Python Programming - University of Moratuwa
- Red Hat Training: Getting Started with Linux Fundamentals (RH104 - RHA) - Ver. 9.1

LANGUAGES

- Sinhala (Native)
- English (Proficient)

EXTRACURRICULAR ACTIVITIES

- Dancing Circle Coordinator - Arts Club, Faculty of Technology, University of Colombo (2025 Present)
- Event Coordinator - “Thuru 2.0” Project - Zero Plastic Colombo Community
- Delegate Coordinator - “ Greenshift ” Project - Zero Plastic Colombo Community
- Committee Member - “Nature Advocates” Project - Zero Plastic Colombo Community
- Committee Member - “Hasthasara” Project - Zero Plastic Colombo Community
- Karate Team member - Freshers’ Championship
- Volunteer - “Green Force Phase 03" Project - Zero Plastic Colombo Community

SOFT SKILLS

- Team Work
- Communication
- Time Management
- Problem Solving
- Analytical Thinking
- Willingness to Learn
